

# ENOCH LINDEMAN

Technology Support Specialist / Instructional Support Technician

✉ enoch@lindeman.family    ☎ (619) 333-8221  
in www.linkedin.com/in/enoch-lindeman    📍 San Diego, CA

## SUMMARY

Instructional support and technology specialist dedicated to facilitating effective learning environments in academic settings. Experienced in preparing course materials, managing chemical inventories, and maintaining lab safety standards, with a passion for supporting hands-on education and innovation.

## EXPERIENCE

### Information Technology Support Specialist

Tolleson Union High School District

📅 Jun 2022 – Ongoing

📍 Avondale, AZ

Supported classroom technology and resource preparation

- Managed deployment of educational technology across campus, ensuring seamless integration for classroom instruction
- Collaborated with educators to prepare digital resources and technical solutions, enhancing the learning experience

Developed resource management tools

- Built custom software for managing classroom materials and device inventories, improving resource availability
- Implemented safety protocols for handling electronic devices and educational equipment, maintaining compliance

### Owner & Software Developer

by The Lindemans

📅 Dec 2022 – Ongoing

📍 Glendale, AZ

Developed wellness app with user-centered design

- Integrated safety-focused features, ensuring user privacy and security in data handling and application processes
- Applied chemical inventory management concepts to app's backend for health data tracking, enhancing reliability

Conducted inventory management for retail products

- Managed chemical handling and storage for crafting supplies, adhering to safety regulations and inventory best practices
- Designed tracking systems for efficient material usage, minimizing waste and optimizing resource allocation

### Mission Technology Specialist

The Church of Jesus Christ of Latter-Day Saints

📅 May 2020 – May 2022

📍 Syracuse, NY

Facilitated technology integration for remote instruction

- Supported online transitions for instructional materials, helping users adapt to remote teaching and learning
- Developed digital tools to automate repetitive tasks, increasing instructional efficiency and reducing errors

Oversaw materials management for educational programs

- Coordinated storage and organization of teaching supplies, maintaining safe access and inventory accuracy
- Conducted regular safety checks for equipment handling, ensuring compliance with operational protocols

## EDUCATION
