EXPERIENCE

Technology Support Specialist Tolleson Union High School District
📅 Jun 2022 – Ongoing 📍 Phoenix, AZ

- Learned to better communicate with others and recognize patterns and deduce underlying problems to better support students and staff, increase uptime, and minimize disruption to learning.
- Learned functionality of previously unexplored omnidirectional speaker system, allowing for the development and deployment of solutions to persistent problems for instructors dependent on said system.

Owner by The Lindemans
📅 Dec 2022 – Ongoing 📍 Phoenix, AZ

- Learned to navigate the legal and financial framework to establish a limited liability company in Arizona and properly carry out business under an entity separate from myself.
- Developed, deployed, and hosted cloud-based code to systematize and automate the management and movement of monies into and out of the company and its various DBAs and stock market positions.

Mission Technology Specialist The Church of Jesus Christ of Latter-Day Saints
📅 May 2020 – May 2022 📍 Syracuse, NY

- Established and executed device deployment and support procedures in Phoenix, AZ and Utica, NY missions, resulting in more positive reports of usability and uptime.
- Leveraged effective communication and problem-solving skills to swiftly resolve device issues, resulting in increased user satisfaction and smooth transitions during disruptive technology shifts.

EDUCATION

Master of Science in Computer Science Arizona State University
📅 Expected May 2027 📍 Phoenix, AZ

- Emphasis in Big Data Systems (Data Science and Artificial Intelligence)
- Currently 4.0 GPA
- Working through general education requirements at Rio Salado College

High School Diploma Westview High School
📅 May 2019 📍 Phoenix, AZ

- 3.85 GPA
- Enrolled in all technology-related classes available at the school and participated in technology-centric extracurriculars in FBLA, resulting in an internship with the district IT department in my senior year.

LIFE PHILOSOPHY

"Automation does not need to be our enemy... machines can make life easier for men, if men do not let the machines dominate them." -JFK
