EXPERIENCE

Information Technology Support Specialist I

📅 Jun 2022 – Ongoing

Tolleson Union High School District

📍 Avondale, AZ

- Oversaw 1:1 deployment of 3,000 devices on campus
- Was first point of contact for all issues regarding internet-connected devices on large high school campus
 - Ensured all staff & students' devices met their needs, allowing educational environment to operate seamlessly

- Created support app for 14,000 users in district
- Built Microsoft Power App with O365 and SharePoint data integrations to deliver relevant information to users
 - Made possible a reduction in user information requests of over 90%, eliminating time users spent waiting for data

Owner

📅 Dec 2022 – Ongoing

by The Lindemans

📍 Glendale, AZ

- Established online media & retail presence
- Built a brand with broad social media presence, targeted ad campaigns, and storefronts on numerous platforms
 - Strategic targeted marketing of books resulted in 3:1 return on investment in ad spend

- Developed personalized wellness app
- Conceived, researched, developed, and iterated on chronic illness management app with feedback from potential users in target audience at every stage
 - Aim to have alpha prototype released in January 2025

Mission Technology Specialist

📅 May 2020 – May 2022

The Church of Jesus Christ of Latter-Day Saints

📍 Syracuse, NY

- Oversaw online transition of teaching
- Supported over 3,000 users and devices transitioning from fully in-person to fully remote in Q2 2020
 - Laid groundwork for and aided in the production and marketing of successful online ad campaign effort

- Systemized labor-intensive menial tasks
- Automated production of congregation's weekly program
 - Created decentralized framework for identification and classification of service opportunities, allowing for increased utilization of volunteer time
