

## SUMMARY

Cybersecurity Software Developer with expertise in secure application development, Python, and Java. Experienced in collaborating with cross-functional teams to identify and address vulnerabilities. Skilled in conducting code reviews, implementing security frameworks, and communicating technical concepts to non-technical stakeholders. Passionate about fostering inclusive work environments and delivering innovative software solutions that protect sensitive data.

## EXPERIENCE

<div>Software Developer</div> <div> Dec 2022 – Ongoing</div> <div><div>Developed secure software applications using Python and Java</div><div><ul style="list-style-type: none"><li>Implemented security frameworks and best practices to safeguard sensitive data.</li><li>Collaborated with cross-functional teams to identify vulnerabilities and integrate solutions.</li></ul></div></div>	<div>by The Lindemans, LLC</div> <div> Remote</div> <div><div>Conducted code reviews and performed rigorous testing for security and functionality</div><div><ul style="list-style-type: none"><li>Ensured code quality and reliability through peer reviews and automated testing.</li><li>Managed version control and deployments using Git for seamless collaboration.</li></ul></div></div>
<div>Technology Support Specialist</div> <div> Jun 2022 – Ongoing</div> <div><div>Led efforts to secure and maintain critical software systems</div><div><ul style="list-style-type: none"><li>Developed scripts to automate security monitoring and reporting tasks.</li><li>Worked with stakeholders to communicate technical issues and propose solutions.</li></ul></div></div>	<div>Tolleson Union High School District</div> <div> Remote</div> <div><div>Maintained and enhanced system security through agile practices</div><div><ul style="list-style-type: none"><li>Participated in code reviews, sprint planning, and continuous integration cycles.</li><li>Collaborated with cross-functional teams to implement secure software updates.</li></ul></div></div>

## EDUCATION

<div>Bachelor of Science in Technological Entrepreneurship and Management</div> <div> Expected May 2026</div> <div><ul style="list-style-type: none"><li>4.0 GPA   Coursework includes Cybersecurity, Software Development, and Agile Methodologies.</li></ul></div>	<div>Arizona State University</div> <div> Online</div>
<div>Associate of Science in Computer Science</div> <div> August 2024</div> <div><ul style="list-style-type: none"><li>Graduated Summa Cum Laude with 3.9 GPA.</li><li>Specialized in Python Development, Security Frameworks, and System Architecture.</li></ul></div>	<div>Rio Salado College</div> <div> Tempe, AZ</div>

## SKILLS

Python

Java / C++

Cybersecurity Frameworks

Code Reviews & Testing

Secure Software Development

Agile Development & Collaboration

Git Version Control

Cross-Functional Teamwork
