🌐 www.linkedin.com/in/enoch-lindeman    📍 San Diego, CA

## SUMMARY

Software Engineer with over four years of experience building web applications and cloud-based solutions. Skilled in React, TypeScript, PostgreSQL, and AWS, with a passion for creating customer-centric software. Experienced in handling complex data models and deploying scalable solutions that align with business needs.

## EXPERIENCE

### Software Developer

📅 Dec 2022 – Ongoing

Built and maintained web applications using React and TypeScript

- Developed modular components and implemented responsive designs for optimal user experience.
- Managed relational databases using PostgreSQL, ensuring data integrity and reliability.

by The Lindemans, LLC

📍 Remote

Deployed and maintained cloud-based solutions on AWS infrastructure

- Collaborated with product teams to align software solutions with business goals.
- Implemented CI/CD pipelines for continuous integration and streamlined deployments.

### Technology Support Specialist

📅 Jun 2022 – Ongoing

Worked on full-stack projects to maintain critical systems and ensure data integration

- Developed API integrations and maintained cloud-based infrastructure to support platform operations.
- Collaborated with cross-functional teams to manage deployments and solve technical issues.

Tolleson Union High School District

📍 Remote

Participated in agile development cycles to deliver high-impact solutions

- Managed version control using Git and contributed to code reviews.
- Troubleshoot and optimized systems to ensure seamless user experience.

## EDUCATION

### Bachelor of Science in Technological Entrepreneurship and Management

📅 Expected May 2026

- 4.0 GPA | Coursework includes Full-Stack Development, Cloud Infrastructure, and Software Security.

Arizona State University

📍 Online

### Associate of Science in Computer Science

📅 August 2024

- Graduated Summa Cum Laude with 3.9 GPA.
- Specialized in JavaScript, TypeScript, and Cloud Computing.

Rio Salado College

📍 Tempe, AZ

## SKILLS

React

TypeScript

PostgreSQL

AWS Cloud Services

Kafka / Redis

API Development

Agile Development & CI/CD
