EXPERIENCE

Technology Supervisor / IT Systems Manager

📅 Dec 2022 – Ongoing

by The Lindemans

📍 Glendale, AZ

Oversaw day-to-day operations of IT and broadcast systems

- Managed the installation, maintenance, and troubleshooting of broadcast equipment, IT network servers, LAN/WAN systems, and computer peripherals across multiple departments
- Supervised a team of technicians, ensuring 24/7 coverage for system maintenance, troubleshooting, and repair of equipment, network infrastructure, and IT systems

Led capital and corporate IT projects for system upgrades

- Directed local and corporate capital projects to upgrade studio facilities, transmitter sites, and IT network infrastructure, ensuring compliance with FCC regulations
- Collaborated with cross-functional teams to implement system upgrades, manage system outages, and develop workflow improvements across the broadcast and IT environments

Information Technology Support Specialist

📅 Jun 2022 – Ongoing

Tolleson Union High School District

📍 Avondale, AZ

Maintained IT systems, servers, and networks for the district

- Provided technical support and managed the maintenance of computer hardware, software, LAN cabling, system security, and virus protection
- Trained staff members on new IT systems, ensuring efficient use of resources and improved system uptime

Supervised system upgrades and network troubleshooting

- Coordinated with the IT team to plan and execute system upgrades and managed system outages and repairs, ensuring minimal downtime
- Implemented documentation processes for system configurations and wiring infrastructure, standardizing procedures across the district

EDUCATION
