

ENOCH LINDEMAN

Full-Stack Software Engineer / AI ML Enthusiast

✉ enoch@lindeman.family ☎ (619) 333-8221
in www.linkedin.com/in/enoch-lindeman 📍 San Diego, CA

SUMMARY

Full-stack Software Engineer with a strong background in developing AI-integrated web applications, cloud infrastructure management, and UX optimization. Passionate about using technology to improve healthcare outcomes and accelerate research through scalable and secure systems.

EXPERIENCE

Owner & Software Developer

by The Lindemans, LLC

📅 Dec 2022 – Ongoing

📍 Remote

Developed full-stack web applications using Next.js, Python, and cloud technologies

- Built responsive, high-performance web applications using modern JavaScript frameworks and backend services in Python.
- Managed cloud infrastructure using Docker, ensuring scalability and reliability for real-time applications.

Integrated machine learning models into web platforms

- Utilized TensorFlow and OpenAI API to add AI-driven features, optimizing user experience and automation.
- Collaborated with data scientists to deploy machine learning models in cloud environments, improving operational efficiency.

Technology Support Specialist

Tolleson Union High School District

📅 Jun 2022 – Ongoing

📍 Remote

Led development of cloud-based solutions to streamline operations

- Designed backend services in Python for seamless integration with front-end applications.
- Optimized application performance through infrastructure monitoring and troubleshooting, ensuring uptime and reliability.

Implemented secure and compliant data handling practices

- Built solutions with a focus on security, ensuring compliance with healthcare data regulations.
- Conducted regular code reviews to ensure adherence to best practices and security standards.

EDUCATION

Bachelor of Science in Technological Entrepreneurship and Management

Arizona State University

📅 Expected May 2026

📍 Online

- 4.0 GPA | Coursework includes Full-Stack Development, AI/ML, and Project Management.

Associate of Science in Computer Science

Rio Salado College

📅 August 2024

📍 Tempe, AZ

- Graduated Summa Cum Laude with 3.9 GPA.
- Specialized in Software Engineering, Cloud Computing, and AI Integration.

SKILLS

Next.js

Python

Machine Learning (TensorFlow, OpenAI API)

Docker

Cloud Infrastructure

RESTful APIs

UX Optimization

Agile Methodologies

Security & Data Compliance

Full-Stack Development

CI/CD Pipelines

Healthcare Software
