## **ENOCH LINDEMAN**

Rust Engineer / Distributed Systems Specialist / HPC Storage Developer

enoch@lindeman.family

**(**619) 333-8221

in www.linkedin.com/in/enoch-lindeman

San Diego, CA

#### SUMMARY

Rust Engineer with over five years of experience developing high-performance software in Linux environments. Skilled in distributed systems, storage solutions, and modern development tooling. Experienced with Bash scripting, WebAssembly, and agile workflows, with a passion for building scalable solutions for data-intensive applications. Strong collaborator with a background in CI/CD, troubleshooting, and delivering well-documented, maintainable code.

#### **EXPERIENCE**

Software Developer

Dec 2022 – Ongoing

by The Lindemans, LLC

Developed features and maintained software solutions using Rust

- Designed and implemented core components for distributed systems and storage solutions.
- Wrote and optimized Bash scripts to automate deployment and troubleshooting tasks.

Collaborated with remote teams and utilized modern development tools

- Managed version control with Git and Jenkins for seamless CI/CD pipelines.
- $\bullet \ \ Participated in product documentation and bug-fixing efforts across multiple platforms.$

#### **Technology Support Specialist**

Jun 2022 – Ongoing

Tolleson Union High School District

**♀** Remote

Remote

Contributed to the design, deployment, and maintenance of infrastructure

- Managed infrastructure supporting thousands of users, ensuring smooth operation and rapid troubleshooting.
- Used Jenkins and Git to manage version control and automate system updates.

Collaborated within agile workflows to meet project deadlines

- Participated in sprint planning, retrospectives, and code reviews to ensure high-quality development.
- Integrated front-end components with backend infrastructure for optimized performance.

#### **EDUCATION**

# Bachelor of Science in Technological Entrepreneurship and Management Expected May 2026

Arizona State University

Online

**♀** Tempe, AZ

• 4.0 GPA | Coursework includes Distributed Systems, Linux Administration, and Software Engineering.

#### Associate of Science in Computer Science

Rio Salado College

**August 2024** 

- Graduated Summa Cum Laude with 3.9 GPA.
- Specialized in Rust Development, HPC Storage Solutions, and Cloud Technologies.

### **SKILLS**

Rust

Linux / Bash Scripting

WebAssembly

**Distributed Systems** 

**HPC Storage Solutions** 

CI/CD with Jenkins

Git / GitHub

Agile Development / Jira
