www.linkedin.com/in/enoch-lindeman   San Diego, CA

SUMMARY

I am dedicated to empowering individuals through innovative technology so that they can face their challenges with resilience to create a more hopeful world for all.

EXPERIENCE

Information Technology Support Specialist   Tolleson Union High School District
Jun 2022 – Ongoing   Avondale, AZ

Oversaw 1:1 deployment of 3,000 devices on campus
- Was first point of contact for all issues regarding internet-connected devices on large high school campus
- Ensured all staff & students' devices met their needs, allowing educational environment to operate seamlessly

Created support app for 14,000 users in district
- Built Microsoft Power App with O365 and SharePoint data integrations to deliver relevant information to users
- Made possible a reduction in user information requests of over 90%, eliminating time users spent waiting for data

Owner & Software Developer   by The Lindemans
Dec 2022 – Ongoing   Glendale, AZ

Established online media & retail presence
- Built a brand with broad social media presence, targeted ad campaigns, and storefronts on numerous platforms
- Strategic targeted marketing of books resulted in 3:1 return on investment in ad spend

Developed personalized wellness app
- Conceived, researched, developed, and iterated on chronic illness management app with feedback from potential users in target audience at every stage
- Aim to have alpha prototype released in January 2025

Mission Technology Specialist   The Church of Jesus Christ of Latter-Day Saints
May 2020 – May 2022   Syracuse, NY

Oversaw online transition of teaching
- Supported over 3,000 users and devices transitioning from fully in-person to fully remote in Q2 2020
- Laid groundwork for and aided in the production and marketing of successful online ad campaign effort

Systemized labor-intensive menial tasks
- Automated production of congregation's weekly program
- Created decentralized framework for identification and classification of service opportunities, allowing for increased utilization of volunteer time

EDUCATION

Bachelor of Science in Technological Entrepreneurship and Management   Arizona State University
Expected May 2026   Online
- Currently 4.0 GPA
- Pursuant to a Master of Science in Computer Science concentrating in Big Data Systems (Data Science and Machine Learning)
