ENOCH LINDEMAN

Backend Engineer / API Designer / Cloud Infrastructure Specialist

✉ enoch@lindeman.family   📞 (619) 333-8221
in www.linkedin.com/in/enoch-lindeman   📍 San Diego, CA

SUMMARY

Backend Engineer with over five years of experience designing and building scalable backend systems. Proficient in Go, API design, and service-oriented architectures. Experienced in deploying cloud-based solutions with Docker and Kubernetes, and managing databases such as Postgres and MongoDB. Strong collaborator with a focus on delivering reliable, high-performance systems that align with business needs.

EXPERIENCE

Backend Developer / Infrastructure Engineer
by The Lindemans, LLC

📅 Dec 2022 – Ongoing   📍 Remote

Built and optimized backend APIs and microservices using Go
- Designed and managed relational and NoSQL databases, including Postgres and MongoDB.
- Orchestrated data flows across backend systems, ensuring seamless integration.

Deployed cloud applications with Docker and AWS for scalability and reliability
- Developed automated test suites to ensure code quality and system stability.
- Collaborated with cross-functional teams to align technology solutions with business objectives.

Technology Support Specialist
Tolleson Union High School District

📅 Jun 2022 – Ongoing   📍 Remote

Supported infrastructure and backend development in a fast-paced environment
- Managed and optimized databases, ensuring high availability and performance.
- Worked with cross-functional teams to solve complex technical challenges.

Deployed and maintained key product features to meet operational demands
- Troubleshot application issues and resolved bugs in collaboration with the engineering team.
- Contributed to product documentation and process improvements for better team alignment.

EDUCATION

Bachelor of Science in Technological Entrepreneurship and Management
Arizona State University

📅 Expected May 2026   📍 Online

- 4.0 GPA | Coursework includes API Design, Cloud Infrastructure, and Microservices Development.

Associate of Science in Computer Science
Rio Salado College

📅 August 2024   📍 Tempe, AZ

- Graduated Summa Cum Laude with 3.9 GPA.
- Specialized in Backend Systems, Cloud Technologies, and Database Management.

SKILLS

Go / Microservices   API Design / Cloud Infrastructure   Postgres / MongoDB   Docker / Kubernetes   Terraform / AWS   Automated Testing

GraphQL / gRPC   Service-Oriented Architecture
