SUMMARY

I am a dedicated Systems Administrator with expertise in Linux, virtualization, and network troubleshooting. My passion is empowering teams through innovative technology solutions, particularly in high-demand environments.

EXPERIENCE

Information Technology Support Specialist
📅 Jun 2022 – Ongoing

Tolleson Union High School District
📍 Avondale, AZ

Oversaw 1:1 deployment of 3,000 devices on campus
- Was first point of contact for all issues regarding networked devices on large high school campus
- Troubleshooted and maintained internet-connected devices, reducing downtime and ensuring operational continuity

Created support app for 14,000 users in district
- Built Microsoft Power App integrated with O365 and SharePoint for efficient data handling, reducing support tickets by 90%
- Assisted with the deployment of security measures including multi-factor authentication for all staff devices

Mission Technology Specialist
📅 May 2020 – May 2022

The Church of Jesus Christ of Latter-Day Saints
📍 Syracuse, NY

Oversaw online transition of teaching
- Provided technical support for 3,000 users transitioning to remote environments, troubleshooting networking issues
- Administered virtual environments, ensuring secure, reliable access for remote users

Systemized labor-intensive menial tasks
- Automated repetitive tasks with scripting, optimizing system workflows for increased efficiency
- Managed virtual meetings and ensured the smooth functioning of networked systems across multiple locations

EDUCATION

Bachelor of Science in Technological Entrepreneurship and Management
📅 Expected May 2026

Arizona State University
📍 Online

- Currently 4.0 GPA
- Pursuing specialization in Big Data Systems (Data Science and Machine Learning)

Associate of Science in Computer Science
📅 August 2024

Rio Salado College
📍 Tempe, AZ

- Graduated Summa Cum Laude with 3.9 GPA
