ENOCH LINDEMAN

Developer Experience Engineer / CI/CD Specialist / Cloud Infrastructure Expert

✉ enoch@lindeman.family 📞 (619) 333-8221
in www.linkedin.com/in/enoch-lindeman 📍 San Diego, CA

SUMMARY

Developer Experience Engineer with over five years of experience in building scalable systems, optimizing CI/CD pipelines, and enhancing developer productivity. Proficient in cloud platforms such as AWS and Kubernetes, with a strong focus on streamlining workflows and reducing friction for engineering teams. Experienced in deploying containerized environments with Docker and Terraform. Passionate about creating high-impact solutions that foster innovation and accelerate product development.

EXPERIENCE

Developer Experience Lead
by The Lindemans, LLC
📅 Dec 2022 – Ongoing
📍 Remote

Designed and maintained CI/CD pipelines to accelerate software delivery

- Built tools for local development environments, reducing friction and increasing developer productivity.
- Collaborated with engineering teams to optimize deployment processes and ensure scalability.

Deployed infrastructure across cloud environments using Docker and Terraform
- Improved developer workflow by implementing infrastructure-as-code principles.
- Ensured high availability and reliability of services through automated testing and continuous integration.

Technology Support Specialist
Tolleson Union High School District
📅 Jun 2022 – Ongoing
📍 Remote

Optimized developer workflows and managed deployments across multiple environments

- Implemented and maintained infrastructure using AWS and Kubernetes.
- Worked closely with developers to align tooling with project goals and streamline operations.

Fostered collaboration and provided technical support within an agile framework
- Conducted sprint planning and retrospectives to optimize engineering workflows.
- Managed code repositories with Git and ensured consistent version control across teams.

EDUCATION

Bachelor of Science in Technological Entrepreneurship and Management
Arizona State University
📅 Expected May 2026
📍 Online

- 4.0 GPA | Coursework includes CI/CD, Cloud Infrastructure, and Agile Development.

Associate of Science in Computer Science
Rio Salado College
📅 August 2024
📍 Tempe, AZ

- Graduated Summa Cum Laude with 3.9 GPA.
- Specialized in Cloud Technologies, Developer Productivity, and Version Control.

SKILLS

CI/CD Pipelines | AWS / Kubernetes | Docker / Terraform | Python / Elixir | Developer Productivity | Agile Development | Git / Version Control | Cloud Infrastructure
