SUMMARY

Jr. C++ Developer with experience in software development, code analysis, and AI technologies. Skilled in evaluating code for performance and quality, with a deep understanding of programming languages and linguistic principles. Passionate about working at the intersection of technology and language, with strong analytical abilities and excellent communication skills.

EXPERIENCE

Software Developer
📅 Dec 2022 – Ongoing

by The Lindemans, LLC
📍 Remote

Developed and optimized software solutions using C++
- Wrote clean, maintainable code following best practices in C++.
- Participated in code reviews, enhancing code quality and team collaboration.

Collaborated with cross-functional teams to align development with project goals
- Identified and resolved bugs, optimizing software for better performance.
- Conducted detailed code evaluations, focusing on performance and maintainability.

Technology Support Specialist
📅 Jun 2022 – Ongoing

Tolleson Union High School District
📍 Remote

Developed technical documentation and translated complex concepts for stakeholders
- Communicated technical solutions to non-technical team members effectively.
- Worked on troubleshooting software issues, ensuring smooth system operations.

Collaborated within agile teams to enhance software systems and processes
- Participated in sprint planning and retrospectives to optimize workflows.
- Provided insights into code performance, identifying areas for improvement.

EDUCATION

Bachelor of Science in Technological Entrepreneurship and Management
📅 Expected May 2026

Arizona State University
📍 Online

- 4.0 GPA | Coursework includes C++ Development, AI Technologies, and Linguistic Analysis.

Associate of Science in Computer Science
📅 August 2024

Rio Salado College
📍 Tempe, AZ

- Graduated Summa Cum Laude with 3.9 GPA.
- Specialized in Software Development, Code Analysis, and Technical Documentation.

SKILLS

C++ | AI Models (GPT, GEMINI, BERT) | Code Reviews & Optimization | Problem Solving | Linguistic Analysis | Agile Development

Technical Documentation | Version Control (Git)
